Welcome Address

From Sabrina Gellermann

Dear Parents

A warm welcome to the DSK! We would like to thank you for entrusting us with your children's education.

As a new member of our school community, you will see that life at the DSK is somewhat different compared to other South African schools. The DSK is a bilingual German school abroad, with a proud history spanning 141 years, where tradition and innovation are in harmonious balance.

We welcome learners and families from more than 40 nations to our international school community. School life at the DSK is distinguished by a multinational and multicultural character. We embrace this diversity as we constantly learn with - and from - each other to promote mutual understanding.

We strive to give our learners an excellent, diverse and holistic education that prepares them for the challenges ahead. It is our vision to provide our learners with skills and values to become balanced, capable and responsible members of our global society.

Together, we constantly pursue the best education for every single learner. We offer an outstanding academic education through individual support and by offering our learners the opportunity to develop academically, socially and personally, to reach their full potential.

“I wish for every student to develop their strengths and inherent talents as fully as possible, for it is with these that they will master their life in the long run.”

REMO H. LARGO (PEDIATRICIAN AND AUTHOR)

There are many ways parents can get involved in contributing to our common goal. The DSK has two parent bodies into which parents can get elected to actively participate in school developments and in shaping the school's future: the parent council and the school management board.

If you would like to get involved in another meaningful way, you might want to consider volunteering for specific events.

We value your active participation in our school life and wish you a good start at the DSK!

Sincerely yours

Sabrina Gellermann
Principal

CONSULTATION HOURS WITH TEACHERS

You can reach all DSK teachers via email: **FirstnameLastname@dsk.co.za**.

For questions regarding your child, the class teachers are your points of contact.

Ms. Anne-Kathrin Scherner (Reception) will assist you with urgent matters during school hours.

Preparing for the Start at the DSK

DSK - SCHOOL UNIFORM

At our school, wearing the DSK school uniform is mandatory, and we take pride in our students representing the DSK not only on campus but also during excursions and field trips. Please familiarise yourself with our school dress code by visiting the **school shop's** page or consulting with the class teachers.

SCHOOL SHOP

We recommend purchasing the school uniform including sportswear well in advance, either by visiting the school shop or by placing an order online through the **DSK school shop**.

Used school clothing is available both in the shop and on our Facebook page, **DSK School Items/Schulsachen**.

For any questions, you can reach the school shop via email at **schulshop@dsk.co.za**. The opening hours are also available on our website.

Opening hours:

Mondays to Wednesday: 07:30h– 15:00h

SPORTSWEAR

The required sports clothing varies according to your child's grade.

Learners in Grades 5–12 may wear their sports kit to and from school if they have sports scheduled in the first or last two lessons of the day.

Swimming (Terms 1 and 4):

- DSK swimwear, DSK swim cap, swimming goggles and towel

All other sports lessons:

- DSK sports top (white with blue and red inserts)
- DSK sports shorts
- White, dark blue, or black socks
- Solid sports shoes
- DSK tracksuit (optional)

CLASSROOM AND TEACHING MATERIALS

Local textbooks and stationery must be ordered online from Western Cape School Suppliers (**www.wcapess.co.za**). Each October, a list of the required materials is published on Skooler (the DSK communication app). Orders usually need to be placed by the end of October.

German textbooks are provided by the school and sold to the learners. The corresponding amount is charged to the school account.

Labeling of Property

We strongly advise you to mark all items of your child with their full name and class!

Our school day

TIMETABLE FROM MONDAY TO FRIDAY

	Arrival	7:30 - 7:55
1	Lesson	7:55 - 8:40
2	Lesson	8:40 - 9:45
	Break	9:25 - 9:45
3	Lesson	9:45 - 10:30
4	Lesson	10:30 - 11:15
	Break	11:15 - 11:30
5	Lesson	11:30 - 12:15
6	Lesson	12:15 - 13:00
7	Lesson	13:00 - 13:45
8	Lesson	13:45 - 14:30
9	Lesson	14:30 - 16:00

The normal school day is divided up into lessons each 45 minutes split by multiple breaks.

Lunch break Grades 1 - 4

Lunch break Grades 5 - 12

HEALTHY BREAKFAST

A healthy diet is important to us. Please provide your child with a breakfast (e.g., fruit, whole-grain bread, yogurt) and a water bottle filled with a sugar- and caffeine-free drink (no cola, sweetened juice, or iced tea). Please avoid sweets.

At DSK, several drinking fountains with filtered water are available, where children can refill their bottles at any time. We aim to reduce waste, especially plastic, as much as possible.

Our school day

SCHOOL CARD AND E-LUNCH

During the first school days, our IT team will take photos of new learners for their school cards. They will receive their personalised school card with a learner number a few days later. This card is required for library use and as a payment method in the Linga Longa Cafeteria (eLunch payment system).

Our eLunch is a cashless payment system for the cafeteria and tuckshop. Parents can load money onto their child's eLunch account online via the **Lunchhub**, allowing them to monitor spending. Learners can then pay easily and conveniently with their school card.

Further information can be found in the DSK **website**.

Upon your child's enrolment, parents will also receive a family card.

LUNCH AT LINGA LONGA

The Linga Longa cafeteria offers a daily changing warm lunch from Monday to Thursday, consisting of a main course, salad, and dessert. A vegetarian option is also available. The menu can be viewed on Skooler under Resources or on the **website: Menu**

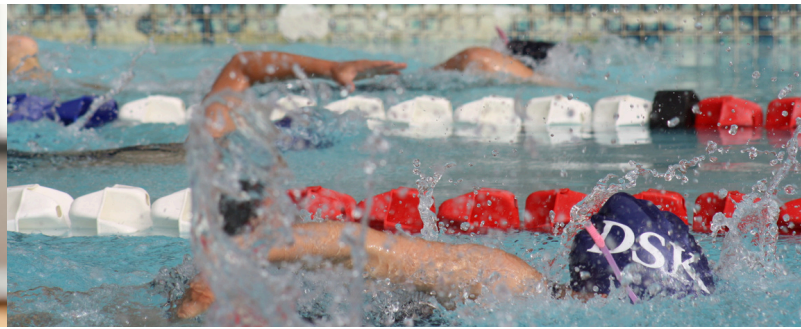

TUCKSHOP

The Tuck Shop is located on Level 1, directly opposite the STEM Centre Amphitheatre. It offers a variety of drinks, snacks, and takeaway meals. Microwaves are available for reheating food. The current menu can be found on the DSK website.

The Tuck Shop is open daily from 7:40 to 13:50 and may be visited by learners from Grades 2–12 during their breaks.

Sports and Extramurals

TAMBOERSKLOOF CAMPUS

SPORTFEST

Every year, the DSK celebrates a grand sports day—a highlight for the entire school community. Following the South African school tradition, two teams, the red and the blue, compete in a fair contest to determine the winner. New DSK learners are assigned to either the red or blue team by our sports teachers upon confirmation of school enrolment.

On a Saturday in term 1, the red and the blue teams from Grades 1 - 7 compete against each other in numerous athletic disciplines.

There is also a fun race for parents. The sports day (Sportfest) counts as a normal school day, which means that attendance is compulsory. As compensation for the Saturday school day, there will be a day off later in the year.

Bundesjugendspiele

Learners in Grades 8–12 take part in the Bundesjugendspiele during their sports lessons. This annual athletics competition, held at all schools in Germany, requires participation in three disciplines chosen from the categories of running, jumping, and throwing.

At our Sportfest, the six top-performing girls and boys will compete for the title of Schulmeister (“school champion”) in these three disciplines.

EXTRAMURALS

At the DSK we offer a wide variety of extramural activities (also called AGs), ranging from sports to music, arts and crafts, social, and cultural activities.

The updated programme can be found on the DSK website.

Extramurals generally take place from Monday to Friday after school. Information is also available at reception, or you may contact Yusri Williams at yusriwilliams@dsk.co.za.

All extramurals require prior registration. An online registration form will be sent out via Skooler and should be completed within the first week of each term. Most activities are free of charge; however, some are offered by external service providers and may involve additional costs. In such cases, payment arrangements are made directly with the coach.

Please note that registration is valid for one term only and must be renewed at the start of every term. If an activity has to be cancelled, parents will be informed via Skooler.

The swimming gala is held for children from the 2nd grade. However, our first graders are warmly invited to cheer on their friends. The gala typically takes place on a Friday in the first term and includes the four classic disciplines (freestyle, breaststroke, backstroke, and butterfly). The best swimmers in each age group are determined in physical education and compete in the swimming festival. It concludes with a fun relay race.

SWIMMING GALA

Communication

Open and constructive communication is an essential part of modern school life. We place great importance on all participants actively contributing to the exchange of ideas.

COMMUNICATION BETWEEN SCHOOL AND PARENTS - SKOOLER -

Our communication with you primarily takes place through the Skooler platform, which is updated several times a day. Please check Skooler regularly for current information, such as extramural activity cancellations or bus delays.

A proven practice is for parent representatives to forward Skooler messages via WhatsApp to their class' parents to ensure everyone stays up-to-date.

COMMUNICATION BETWEEN PARENTS AND TEACHER

In the early school years, direct communication with the teacher is particularly crucial. Please discuss any concerns about the class or your child's well-being directly with the respective teacher—minor issues can be addressed via email, while for more significant topics, please schedule a meeting before or after school hours.

Class teachers use Skooler for communication, such as providing information about lessons or requesting specific materials. Please note that feedback on Skooler is only possible to a limited extent.

For individual concerns, email is the preferred method of communication. In urgent cases, you can also reach the teacher by phone through the reception or parent representatives.

SKOOLER

Skooler is the central communication platform of the DSK. On your child's first day of school, please install the app on your PC and/or smartphone. Kindly note that Skooler will only be activated from the first day of school onwards.

After signed up you will receive an email from **skooler@dsk.co.za** with your personal log-in details to create a parent account for your children. If you have any questions or need support, please email helpdesk@dsk.co.za.

To log in, use your child's learner code, which is issued at the beginning of the school year with the student card. Select your child's grade level on Skooler to receive relevant information.

Parent Engagement

We warmly invite you to actively participate in school life at the DSK and become part of our vibrant community.

There are numerous ways to get involved, such as joining the bazaar committee, parent representation, the parent council, or the school board.

Throughout the year, DSK hosts many events like concerts, learner performances, talent nights, sports events, and the popular bazaar, where you are welcome as a guest or helper. Together, we create unforgettable experiences and strengthen our sense of community.

Additionally, you can contribute at the DSK Career Indaba, e.g., as a career advisor or internship provider.

PARENT EVENINGS

Parent evenings are generally held twice a year (in the 1st and 3rd term).

They begin with a meeting in the KTS, where important general information is exchanged. Following this, everyone proceeds with the class teacher to their child's respective classroom.

Invitations are sent by the class teacher or parent representative.

PARENT REPRESENTATION

Each class elects two parent representatives at the first parent evening, who typically serve for two years.

These representatives attend the monthly parent council meetings and inform the class parents about important topics.

They assist the class teachers with excursions, class parties, and other activities and serve as an important link between the school and parents.

PARENT COUNCIL

The parent council consists of the two elected parent representatives per class. The council meets about eight times a year and represents the parents' interests to the school administration and board. It actively shapes the school's educational work. The school board makes decisions and therefore focuses more on the strategic level.

The parent council is divided into various portfolio committees and tasks, which vary according to urgency and need, and is particularly involved in organising school activities.

For questions about the parent council, Sven Welzel (New Parents Portfolio) is available: sven@sven.co.za.

The current chairperson of the parent council, Peter Snyckers, can be reached at elternrat@dsk.co.za.

Further information can also be found on our website: [Parent Engagement](#).

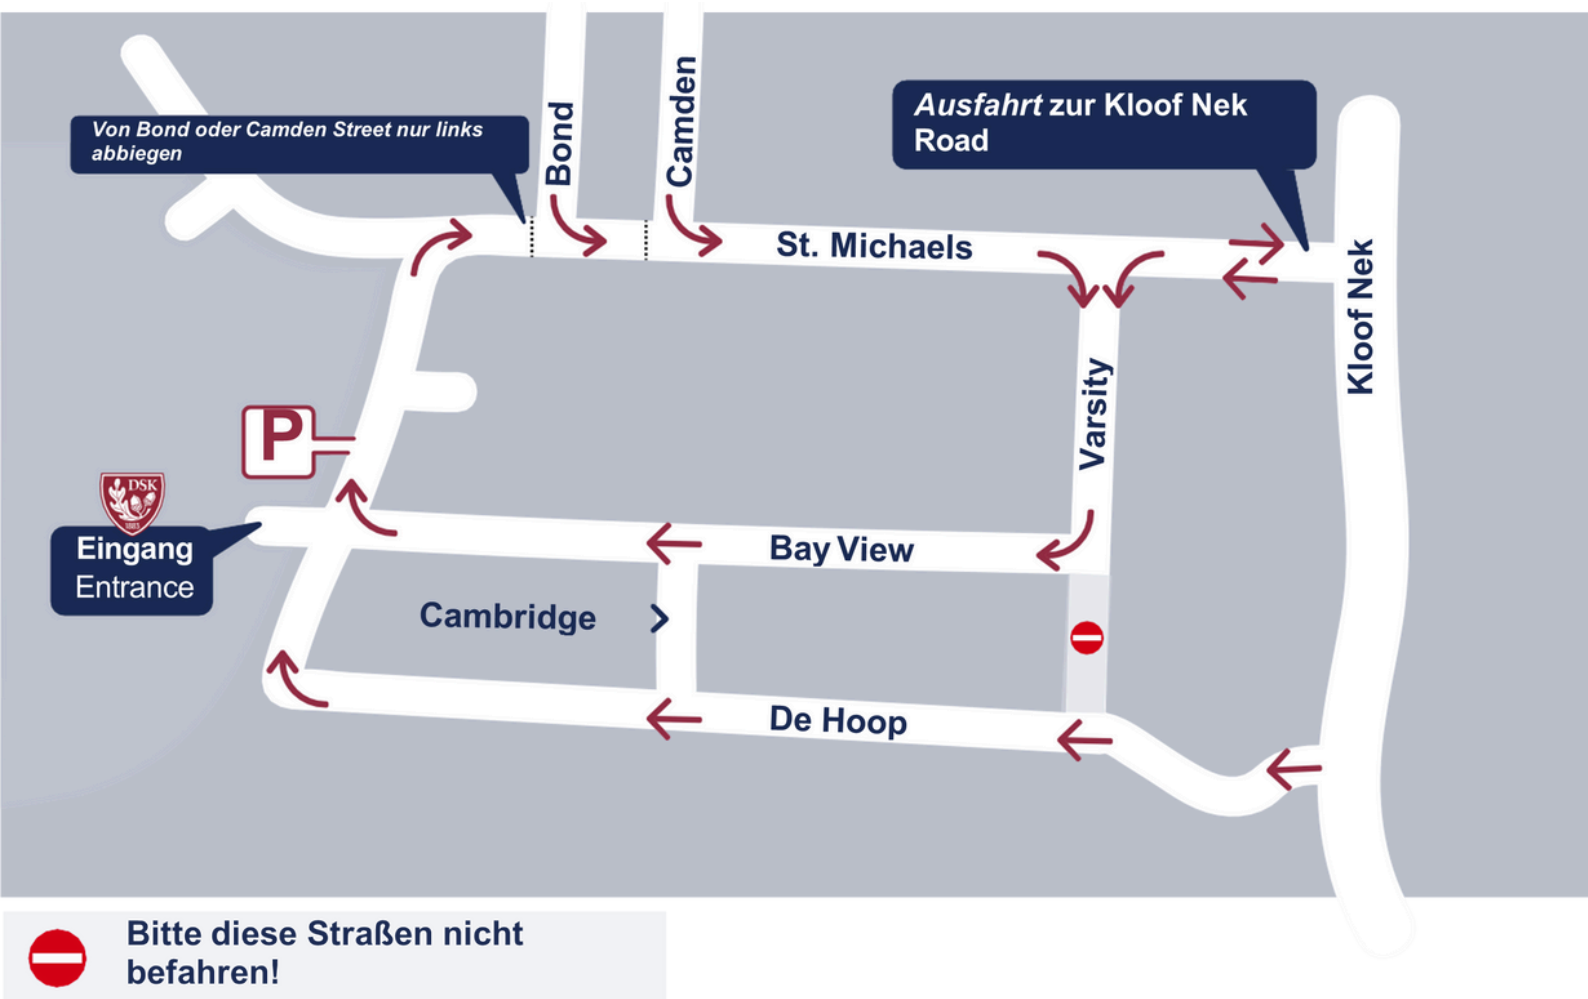

WE LOOK FORWARD TO YOUR
SUPPORT
& IDEAS

Parking and Traffic Guidelines

For the safety of our school community and to alleviate traffic congestion, we kindly ask you to adhere to the recommended one-way street system during the following peak times:

Morning 7:30 to 8:00 AM and afternoon approximately 3:20 to 4:00 PM.

Please also observe the following guidelines:

PARKING IN THE DSK AREA

- Avoid parking in front of, on, or immediately behind pedestrian crossings.
- Parking or stopping at intersections is not permitted, especially at the corner of Bay View Avenue and Upper Albert Road, to prevent traffic obstructions.
- The bus bays along Upper Albert Road are reserved exclusively for school buses.
- Allow sufficient time for travel to and from school to prevent potential delays.

SAFETY ZONE AROUND THE SCHOOL

The school grounds and surrounding streets are designated as a school zone. Please drive with extra caution and at a slow speed, as many young learners are present in this area.

Parking and Traffic Guidelines

PARKING REGULATIONS ON SCHOOL GROUNDS

- The parking spaces in front of and below the new sports hall are reserved for staff and guests only.
- The area to the right of the main gate offers 10 marked parking spaces reserved exclusively for teachers and staff; parents are prohibited from stopping or parking here.
- The lower parking lot has designated spaces for parents and a section for motorcycles.
- Yellow-marked areas in the parking lot must always be kept clear to ensure pedestrian safety.
- A speed limit of 15 km/h applies throughout the school grounds.

PEDESTRIAN ZONES AND ACCESS REGULATIONS

- Pedestrians should use only the zebra crossings to the right and left of the main gate and enter the school grounds through the designated entrance. We encourage all parents to be mindful of the influential example they set for their children.
- Dogs are not allowed on school grounds. If you bring your dog for pick-up, please wait with the dog outside the main gate. If you leave the dog in the car, it must not exit the vehicle.

Thank you for your understanding and responsible behavior. With your support, DSK remains a safe and respectful place for all members of our school community and neighborhood.

ABSENCE FROM SCHOOL

Reporting illness

If your child is ill and cannot attend school, please inform the teachers by email no later than 7:45 AM on the same day.

Additionally, contact our reception at **+27 (0)21 480 3830** or via email at **reception@dsk.co.za**.

For absences at the Tygerberg Campus, please call **+27 (0)21 930 6302**.

A notification of illness is required for each day of absence unless a multi-day notification was submitted on the first day of absence. From the third day of absence, a medical certificate is also required.

Green slip

If your child needs to leave school early due to illness or another appointment, a formal sign-out is required. Please have the "Green Slip" signed by the teacher. The slip must then be stamped at the secretarial office, and the child will be signed out. The stamped slip must be presented to security personnel when leaving the premises.

Upon return or the following day, the slip must be signed by you and presented to the class teachers. If it is known in the morning that your child needs to leave school early, please provide them with a written note for the class or subject teachers.

Exemption from classes / Leave of absence

Please familiarise yourself with our **leave policies** or contact our office beforehand.

Important: Leave requests should always be submitted before booking flights. Generally, requests for exemption from classes that immediately precede or follow holidays are only granted for special reasons. A written request is necessary in every case and will be reviewed by the school administration. The required form can be found on the Website: **Application**.

General Information

ACCES TO SCHOOL GROUNDS

All parents need a parent card to (available from the IT office) to gain access to the school premises.

ASSEMBLY

During an assembly, all students and teachers come together. Generally, the primary school holds an assembly at the beginning and end of each term. On special occasions, learners from primary also participate in the larger assemblies held in the von Holten Hall. Important information is announced, and learners are recognised for their outstanding achievements. The von Holten Hall also hosts larger school events such as the cultural evening or school orchestra concerts.

BAZAAR

The DSK Bazaar, held annually at the beginning of November, is a highlight on Cape Town's event calendar and enjoys great popularity well beyond the city's borders and, is the school's most important fundraiser. An event of this scale is only possible through the joint efforts of parents, learners, teachers, sponsors, and staff – something we have consistently achieved with great success. The donations committee decides how the proceeds are allocated, with the funds directly benefiting our learners, for example through modernisation projects or selected social initiatives.

At the beginning of each school year, two bazaar representatives are elected during the first parent evening. Their role is to organise and coordinate their class parents in order to make their stand as successful as possible. Several meetings with all representatives are held throughout the year to ensure smooth planning and coordination.

Attendance at the bazaar is mandatory for all learners, who are in turn compensated with a day off later in the year. All parents contribute by signing up for a shift, and each grade level is responsible for running its own stand.

BILINGUAL LESSON (BLU)

BLU (Bilingualer Unterricht) stands for bilingual teaching, meaning subjects are taught in both German and English at DSK. As a school of mutual encounter, we bring together learners of different mother tongues and offer them the unique opportunity to achieve advanced proficiency in both languages.

CHECK UPS

At the start of the first quarter of the school year, preventive screenings such as vision tests, hearing tests, and fine motor skills tests are conducted at the Tamboerskloof Campus. These mandatory screenings aim to identify and address potential learning difficulties early. Parents receive a report or recommendations, such as for the fine motor skills course offered at DSK. Please sign the consent form you receive in the first quarter. The costs will be noted on the school bill.

CIVVIES (FUNDRAISER)

Once a month on a Friday, learners can come to school in casual clothing. The dates are announced in the primary school newsletter, on Skooler, and in the DSK NewsFlash. Each child who comes in casual clothing donates 10 Rand, which is collected for charitable student initiatives. Please provide your child with 10 Rand in cash on this day.

General Information

DIGITAL MEDIA

Each classroom is outfitted with digital boards and five Apple iPads. Furthermore, a full set of iPads can be reserved for use during lessons.

In the primary school, the apps Anton and Antolin are used, allowing students to work on their accounts at home as well. DSK continuously develops the integration of digital media, thereby enhancing learning in programming and digital applications.

DSD I UND DSD II (GERMAN LANGUAGE DIPLOMA)

The German Language Diplomas are official certificates of German language proficiency, organised and recognised by the Federal Republic of Germany. They are highly valuable for our learners, opening doors to future studies, scholarships, and career opportunities both in German-speaking countries and in South Africa.

HEALTH AND SAFETY DRILLS

According to the Health & Safety guidelines for schools, we must prepare our students for potential emergencies such as a fire or a lockdown.

We usually announce our safety drills, and class teachers discuss the exercise with the children beforehand.

HOLIDAY CARE

At the Tamboerskloof Campus, a NAB holiday programme is held during the first week of the vacation for learners in grades 1 to 5. No supervision is provided on public holidays that fall within the vacation period.

The supervision time is divided into two categories: half-day from 8:00 AM to 12:00 PM and full-day from 8:00 AM to 4:00 PM.

In addition to the NAB holiday care, private providers also offer activities for older children. Please refer to the notifications on Skooler.

The **registration form** for all care programmes is available on our website and will be sent via Skooler, together with further details on registration deadlines.

LIBRARY

At both campuses, our learners have access to a modern library offering a wide selection of books in German, English, Afrikaans, and French, as well as numerous magazines, CDs, and DVDs. The annual library fee of R500 is deducted from your school account in the first quarter, regardless of whether your child borrows media. Parents can also borrow books for personal reading or reading aloud. The library is also accessible online: DSK Online Library.

For a general overview of the library, please visit: **Library**.

Each class visits the library once a week during school hours. Initially, children are allowed to borrow one book, and later, they can borrow two. On library day, children should bring their library card and all borrowed books for return.

General Information

MUSIC CENTRE

At the Gisela Lange Music Centre (GLMZ), children and adults can learn musical instruments, singing, dance, and music theory with qualified instructors. The paid lessons take place outside school hours. Appointments are arranged directly with the GLMZ. For more information, visit the website: **GLMZ** or email to **glmz@dsk.co.za**.

DSK NEWSFLASH

Our official newsletter, the DSK NewsFlash, is published twice per term with current announcements from the school administration. It is distributed via Skooler and thus directly by email.

The primary school newsletter with important information and events is also published once or twice per quarter in the same way.

POLICIES AND CODE OF CONDUCT

Our Code of Conduct and numerous other policies can be found in the Parent Portal on our website **Download Centre**.

We ask you to familiarise yourself with them, as they are essential for a harmonious and respectful school community.

At the beginning of the school year, your child will receive a small Code of Conduct. We ask you to discuss it at home and then sign it together.

REPORTS

Learners in grades 5–12 will receive a report twice a year: once before the June holidays and once before the December holidays. Written feedback is also provided after terms 1 and 3.

SCHOOL BOARD

The DSK is supported by a dedicated school board in addition to the school management. It consists of representatives from DSK, the German Consul General, the pastor of the St. Martini Church, and elected parents. Together with the school management, the school board shapes the strategic direction of the DSK and significantly influences its vision. All parents are invited to the Annual General Meeting, where board members are elected for two-year terms. Parents with children at DSK can run for election and thus actively contribute to the school's development.

SCHOOL BUS

From the 2nd grade, our learners are allowed to use the school bus to the Tamboerskloof Campus. More information can be found on our **Parent Portal**. Children in the 1st grade are excluded from the bus service unless accompanied by an older sibling. This must be approved in advance by the school management.

Families who have recently moved to Cape Town are encouraged to seek information and advice on using the service.

SCHOOL FEES AND TERMS OF PAYMENT

Current school fees and payment terms can be found on our website. School fees are paid in advance at the beginning of each term for the following term. An invoice will be sent to parents by email.

General Information

SCHOOL SONG

The DSK has its own school song, sung at every assembly. You can listen to the song on our website under "**School Song.**" It was written and composed by a DSK teacher a few years ago.

SOCIAL MEDIA

DSK is active on Facebook and Instagram, regularly posting photos, event announcements, and news. Follow us on **Facebook** and on Instagram at **DSK_School**.

STAR CENTRE (SUPPORT CENTRE)

The Star Centre supports learners with emotional, social, and academic issues. Counseling and support take place during school hours in specially equipped rooms, and support can also occur directly in the classroom. When a need for support is identified, parents are invited to a consultation to collaboratively plan the child's ongoing support. The Star Centre partners closely with both teachers and parents to ensure the child's well-being.

STEM CENTRE

The recently opened STEM Centre offers hands-on learning in **s**cience, **t**echnology, **e**ngineering and **m**athematics with state-of-the-art facilities. It fosters creative thinking and problem-solving skills through innovative projects and experiments. More information can also be found on our website: **STEM**.

WEBSITE

On our website you will find a wide range of important information and links. In the downloads section, you can access resources relevant for DSK parents and learners, including guidelines, documents, enrolment forms, and general information about school life. We encourage you to take some time to familiarise yourself with these materials.

REPORTS

In the middle and at the end of the first and second school years, learners receive reports in the form of written assessments that reflect the standards of the respective school year. The assessments allow you to track your child's development in work and social behavior as well as in individual subjects. An English translation is included. At the end of the second grade, a trend mark is given in German and Mathematics. From the third grade, marks and percentages are provided, which also include an assessment of work and social behavior.

YEARBOOK

Once a year, all families receive a yearbook that provides a wonderful retrospective of the school year and our school's activities. You can also download yearbooks from previous years online on our website.
