

Extra Charge

Eco Packaging For

TA Lunches

R 5.00

Due to the high cost of Eco Packaging & Cutlery, and the responsible recycling thereof, the additional charge for having Lunch as a TA has been reinstated.

To still aid social distancing, we are however subsidizing the cost and will only charge R 5.00 instead of R 7.00 as previously.

To avoid the Extra Charge, please feel free to bring your own Containers. Should you want Salad, please bring a container no larger than 500ml.

For any queries, please contact Eike Ryll at the Cafeteria (Cafeteria@dsk.co.za)
